The following songs were recorded in two sessions on March 10 and 24 2009, at the St. Clair Correctional Facility. The tunes and lyrics are original by the inmates and most are copyrighted. The participants were selected by the Chaplain and Warden based on their example of being followers of Christ while incarcerated. All have life sentences with one exception. The Alabama Department of Corrections gave permission for this project based on the proposal offered that all the profits generated would be given to the DOC and specifically to build a new Chapel for the prison at St. Clair.

We encourage anyone to copy this CD or it can be downloaded with the CD jacket from anothercaptivefree.com or kevinderryberry.com. You may donate the amount of a purchased CD (\$12) to build a new Chapel at the prison. The funds should be sent to:

St. Clair Correctional Facility Chapel Ministry
P.O. Box 363
Springville, AL 35146.

This is a non-profit 501(c)(3) organization specifically set up to construct a new chapel.

We give our sincere thanks to Commissioner Richard Allen, Warden David Wise and his staff, Chaplain Jeff Lyles, Mr. Bill White, Mr. Joel Bouchillon, Mr. Kevin Derryberry and Hunter Street Baptist Church for making this possible.

We trust that you will enjoy "Another Captive Free."
God Bless.
